

Annual Report Policy

NWCCU requires every candidate and accredited institution to complete an Annual Report. Each spring every institution is required to submit a report that provides both statistical data related to such matters as enrollment and finances as well as information about off-campus programming, contractual relationships, and any significant developments at the institution in the past year that may have a bearing on its accredited status. As its discretion, the Commission may and often does require from individual institutions reports on specified areas related to the Standards for Accreditation and Eligibility Requirements. This focused/ad hoc report may be followed by an on-site evaluation for the purpose of validating the contents of the report.
